All requirements outlined by Fraser Health and Fire Department must be met in order to operate. It is the responsibility of the vendor to identify and meet these requirements. Proof of permits will be required in advance by the Fair. Copies of Food Safe certificate, insurance and a full menu with prices are also required. Possible additional requirements may be added at the discretion of the Chilliwack & District Agricultural Society based on need. Thank you for your cooperation. If information in application is incorrect or rules below are not followed, there may be a \$100 administration charge.

- **There will be absolutely no fairground traffic or parking where there is foot traffic during Fair hours. All vehicles, trailers and storage must be parked in designated parking lot.**
- Security is provided on grounds and parking areas 24 hours a day from 9:00 pm Thursday, August 8th to Monday, August 12th at 9:00 am. Although security is provided, the Chilliwack Agricultural Society and the Chilliwack Fair will not be responsible for any loss or damages.
- Cold running water will be available.
- Electrical hook-up is supplied for a fee (please see application) but please bring ample extension cords.
- **A qualified electrician will be on hand to connect electrical and answer questions during a designated time window on Thursday, August 8th only, and will be available on a first come first served basis, unless otherwise scheduled. If required in addition to this or if you have a problem with your connections there will be an hourly charge determined by the electrician AND you may be moved based on logistical requirements.**
- **You will need to seek approval from the Fire Department in advance of opening by contacting Rosemary Sciberras at sciberras@chilliwack.com or 604.793.2725. The Chilliwack Fire Department along with SafetyBC could conduct an inspection at anytime so please be sure to show the current year's inspection sticker.**
- **All units will follow current Public Health Regulations. You will need to submit/have approved, a Temporary Food Application to Fraser Health (Matthew Loo at matthew.loo@fraserhealth.ca or 604-793-7181).**
- All employees should be neat, well-groomed and professional in their food-handling standards.
- Signage must be neat and easy to read.
- All garbage must be removed after the event. Failure to do so may jeopardize future contracts.
- We are currently working on Compost options for Food Vendors, so if provided please use appropriately to keep our event clean and environmentally responsible.
- Grey water removal will be available should you require for an additional cost (see application form). If you choose not to use the grey water removal provided, all grey water must be removed and disposed of based on City requirements. Please bring appropriate hose or removal system.
- If in the sole discretion of Fair Management, a concession is found to be hazardous, inappropriate or in violation of Fair rules and regulations including those of Health, Safety, or Fire, said concession will promptly close.
- A map of grounds, location and Fair Program will be available prior to your arrival.
- Six (6) Gate Passes are included and will be available at the office on setup day. Gate passes are required to enter and it is your responsibility to ensure each person in your booth has one to enter (no list at the gate).
